Ambitious redevelopment project with a £485m grant from the Government includes a Simulation Suite on the 11<sup>th</sup> floor

- Intensive care bed / operating theatre bay
- 2 ward bays
- 1 mental health simulation lab
- 2 debrief rooms
- Hybrid control room
- 12-station wet lab

# Brighton Simulation

<http://brightonsimulation.org.uk>

Regional provider of simulation based courses for London and the South East

Simulation Facilitator Training courses

Low fidelity part task trainers to high fidelity manikins

Actor based mental health and dementia simulation

Multi-speciality multi-professional simulation

Major incident simulations within the hospital and in public areas

In-situ simulations

Medical students to consultant level courses

Outreach courses in other hospitals

## **3Ts Simulation Suite**

Expand our range of medical and non-medical simulation courses

24/7 business model

Significant investment in equipment and kit

# Why the Expo?

Allow various stakeholders to look closely at the latest equipment options  
Prepare a comparative shortlist of most desirable equipment to be procured  
Timeline for initiating procurement processes is December 2018

## Opportunity

Meet face-to-face with stakeholders  
See a model and plans for 3Ts Simulation Suite  
Promote your latest technologies and services  
Work with industry peers and competitors  
Strengthen your network and create new partnerships

# Exhibitor Options

Rooms and approx capacity for each:

6 rooms: 1 trolley and 10-12 people standing

3 rooms: 1 task trainer and 6-8 people standing

2 rooms: 2 trolleys and 30 people standing

# Sponsorship Options
